SPORTING LIFE 10K

WE RUN FOR CAMPFIRE CIRCLE!

The Sporting Life 10K (#SL10K), a premier Canadian running event, has been a Toronto staple for 21 years—with 100% of net proceeds benefitting CAMPFIRE CIRCLE (formerly Camp Ooch & Camp Trillium).

Each year 22,000+ dedicated people run down Yonge Street on Mother's Day to raise critical funds and positively impact the lives of kids and families affected by childhood cancer. More than \$23 million has been raised since its inception.

This exciting team-building event creates an excellent opportunity for your organization to celebrate its spirit of philanthropy, community, and corporate social responsibility.

The Sporting Life 10K returns in a hybrid form in 2022. Your team can run down Yonge Street in-person on Sunday, May 8, join the event virtually May 8-31, or combine the two!

No matter how you chose to participate, your #SL10K team will make healing through happiness possible for kids and families affected by childhood cancer—in hospitals, in communities, online, and at overnight camp all across Ontario.

2022 SPORTING LIFE 10K TORONTO

Sunday, May 8

***Limited capacity* only 15,000 spots available**

We are so excited that the #SL10K is back in-person, because in-person camp is back too! Our programs come at no cost to families due to the support of amazing #SL10K participants like you.

Just like before, it's up to participants whether they run, jog, walk, or use an assistive device to complete the route, which is still to be announced.

Check back on sportinglife10k.ca for these and other updates as they occur.

2022 SPORTING LIFE 10K VIRTUAL

Virtual runs are flexible—to be completed at your own pace. Your team's virtual 10K can take place anywhere—on a trail, a treadmill, a track, or a sidewalk. Our virtual format lets you connect your team from wherever you are, all across the world!

SHOWCASE YOUR SPIRIT!

We would love to see how you and your team are preparing for your #SL10K! Be sure to share photos and stories with us by using the hashtag #SL10K and by tagging us [@campoochigeas](https://twitter.com/campoochigeas). We love to share and showcase your team spirit with thousands of our followers!

WE ARE BRINGING BACK CAMP!

Did you know that Camp Ooch & Camp Trillium merged in 2020, and that we have a new name? Announcing ... CAMPFIRE CIRCLE! We aren't changing what we do—we're just changing our name.

Our new identity places kids and families affected by childhood cancer at the heart of what we do, and recognizes the caring community surrounding them, and that includes you! Your participation is helping us reach 1,700+ kids and their families every year.

CHILDHOOD CANCER CHANGES LIVES. SO DOES CAMP. AND SO CAN YOU.

A diagnosis of childhood cancer changes life in an instant. For kids and families, it can suddenly feel like everything is about cancer. Simple joys like friendships, birthday parties, or sports teams are left behind and replaced by medical appointments, hospital stays, and long absences from school.

CAMPFIRE CIRCLE is where kids can be kids, and families can be families, at no cost to them.

You and your teammates are members of that circle, helping restore what's been lost to cancer and COVID, helping kids and families heal through happiness, together. Thank you!

“Being back at camp is awesome! It was so incredible to hear all the kids laughing and playing again. Thank you camp for giving us a fun, full of memories weekend after a very challenging 18 months.”

—Camper Parent

OVERNIGHT CAMP PROGRAMS

Family weekend retreats will continue into 2022, with plans for traditional camp programs to return as soon as possible, including kids-only camp, week-long family camp, and specialized one-week sessions for teens and bereaved siblings.

Did you know that our Muskoka overnight camp is the only one of its kind in Canada to provide on-site IV chemotherapy and blood transfusions? This means that Campers at every stage of their treatment can come to camp.

COMMUNITY

Fun, camp-style programs that include the whole family allow kids and families to discover a community of people who share similar experiences. Community programs across Ontario also include day camps and leadership programs.

IN-HOSPITAL

We bring the playful spirit of camp to hospital settings with one-on-one bedside visits occurring daily at three pediatric oncology hospitals across Ontario, fostering fun and friendship with arts and crafts, games and theme days.

VIRTUAL PROGRAMS

Virtual programs are packed with fun activities for the whole family, including campfires and circle time. Virtual programs help kids connect with siblings at home, or make new friends while in the hospital.
